TELEPHONE INTERVIEW SUMMARY

Sir:

The applicant gratefully appreciates the professionalism and courtesies extended by Examiner Idowu to applicant's representative, Scott Richardson, during the brief telephone interviews of September 8, 2008. This paper follows a Request for Continued Examination (RCE) and Amendment filed yesterday in the application in response to the final Office Action of June 4, 2008.

During the Telephone Interview proposed claim amendments were discussed, and applicant's representative pointed to features felt to distinguish the claimed invention from the

art of record. The Amendment of September 8, 2008 reflects the discussion of the Telephone Interview. It is believed that the amendments appear to overcome the pending rejections. However, due to the need for further search and consideration the claim amendments will not be entered into the application as an After-Final Amendment at this juncture of the prosecution without the filing of an RCE. Therefore, the Amendment was filed in conjunction with an RCE.

CONCLUSION

In view of the foregoing, it is respectfully submitted that the application is in condition for allowance. However, in the event there are any unresolved issues, the Examiner is kindly invited to contact applicant's representative, Scott Richardson, by telephone at (571)748-6200 so that such issues may be resolved as expeditiously as possible.

Respectfully submitted,

Scott Charles Richardson
